More About the Scramble

The Lee Robertson/Gary Sundmacker Golf Scramble was established in 1996. It is named after former WKU Alumni Association Executive Director (and Mr. Hilltopper) Lee Robertson and WKU Hilltopper basketball great Gary Sundmacker.

The Greater Louisville area is home to nearly 10,000 WKU alumni. Furthermore, Louisville high schools continue to send hundreds of students to the Hill each year. In an effort to support these local students financially in their educational journey, the WKU Greater Louisville Alumni Chapter awards scholarships each year to deserving students. The number of scholarships, and the amounts, vary from year to year.

The WKU Greater Louisville Alumni Chapter hosts several fundraising events to maintain this scholarship fund, but the Lee Robertson/Gary Sundmacker Golf Scramble is the largest fundraiser of the year. Because of your support, either by playing in the scramble, attending the dinner, or donating items for the silent auction, local high school students are able to attend WKU with scholarship assistance from the WKU Greater Louisville Alumni Chapter.

We encourage you to participate in any way you can. Please register a four-some to play in this year’s scramble, donate items for the raffle or silent auction, attend the dinner and awards program following the scramble, or donate to the scholarship fund. Your support is appreciated!
